We do not know whether profane
swearing is distinctively a national vice
or not, but we do know that it is dis-
tastefully prevalent. As a habit it de-
serves the reprobation of all sane and
healthy minds. It is a coarse and vul-
gar practice, even regarded apart from
ethical considerations. The small boy
indulges in profane language because
he thinks it smart to dare the canons
of propriety in speech, but too often
when he becomes a man he ceases to
put away this childish and revolting
thing. What he does at first from a
false and immature motive becomes
later in life a confirmed habit that of-
ten marks him to others as a person of
much coarser fiber than he really is.

We dislike to see a man weighed
down with care about trifles, but on
the other hand it is well not to be as
thoughtless as the butcher who inad-
vertently leaves the bone in when he
weighs the steak.
